Research Project: Annotated Bibliography

A good researcher consults multiple sources and selects the resources that are most valuable. You are required use a minimum of 5 sources for your research project with a minimum of:

- 2 books
- 1 database
- no more than 2 websites

For this assignment, create an MLA citation for one print source, one database and one website you found to be the best for your topic. A sample format is shown; however, you will need to consult your student handbook or the MLA guidebook for your specific types of resources.
